

7 generations from now... WHERE WILL YOUR FAMILY BE? >>>

Set a path for your family that will last far into the future.

Join the **7 Generation Family Workshop** experience to walk through teaching and begin to build a plan for your family. You will gain:

- A new understanding of the purpose of family
- A framework to guide your family conversations
- Vision, mission, and values statements to guide your family
- Practical tools to begin implementing these concepts
- Confidence to direct your family to a multigenerational way of life

No matter the stage your family is at, you will find practical teaching and insights that can be applied to all life seasons.

Renew your family to
its **generational purpose.**
